Dana Greenlee on CBS Netcast

Posted by **Alex Williams**

Earlier this fall, CBS and [KYOU](#) announced an a interview CBS celebrities.

Dana Greenlee won and now has her own show interviews, which have started airing on [KYOU](#). Francisco owned by Infinity. The shows will run

Dana and her husband Rob are Seattle area podcasting pioneers who have been in the webcasting business a production, too, as Rob does the recording production while Dana interviews the stars of new and returning C

Like Fox, NPR and other networks, CBS is podcasting on a fairly large scale. Granted, much of the podcasts a are also available for such news progams as 60 Minutes.
